

### Moderando comentários

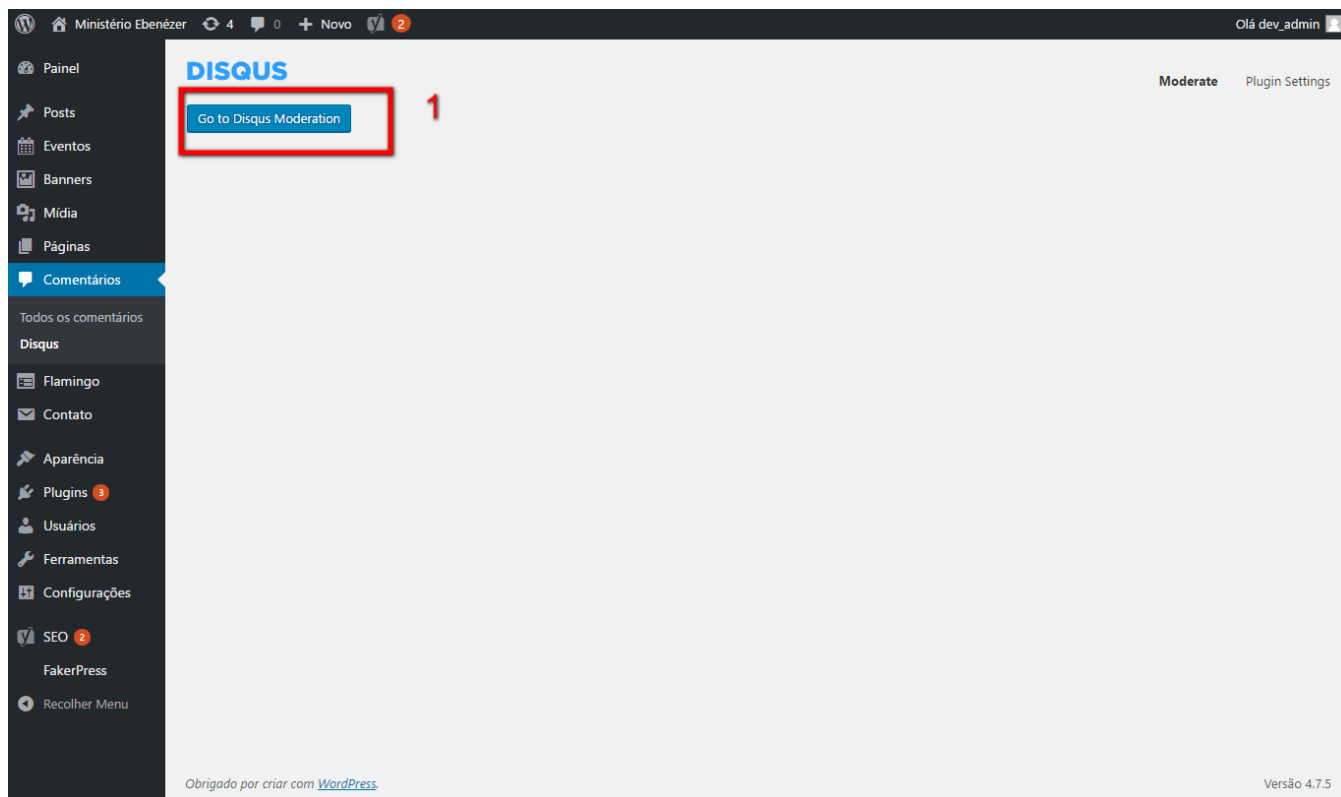

1º – Entre no administrador do site. Caso haja dúvidas neste processo, utilize o tutorial **Entrar no administrador do site**.

2º – Deixe o mouse em cima do item de menu **Comentários(1)**, depois clique em **Disqus(2)**.

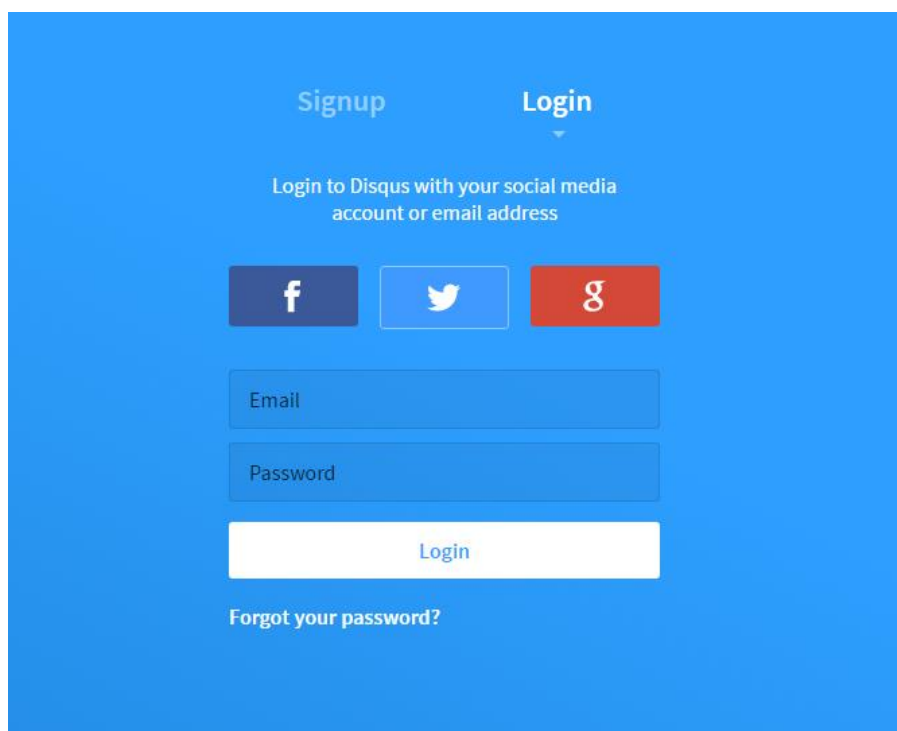

The screenshot shows the WordPress dashboard for 'Ministério Ebenézer'. The left sidebar contains the 'Painel' menu with various options. The 'Comentários' option is highlighted with a red box and a red number 1. The 'Disqus' option is highlighted with a red box and a red number 2. The main content area shows the 'Painel' dashboard with a welcome message, 'Comece a usar' section, 'Próximos passos', 'Mais ações', 'Atividade', and 'Comentários' sections. The 'Comentários' section shows a list of comments, including one from 'De Bruno Araujo sobre Teste de vídeo'.

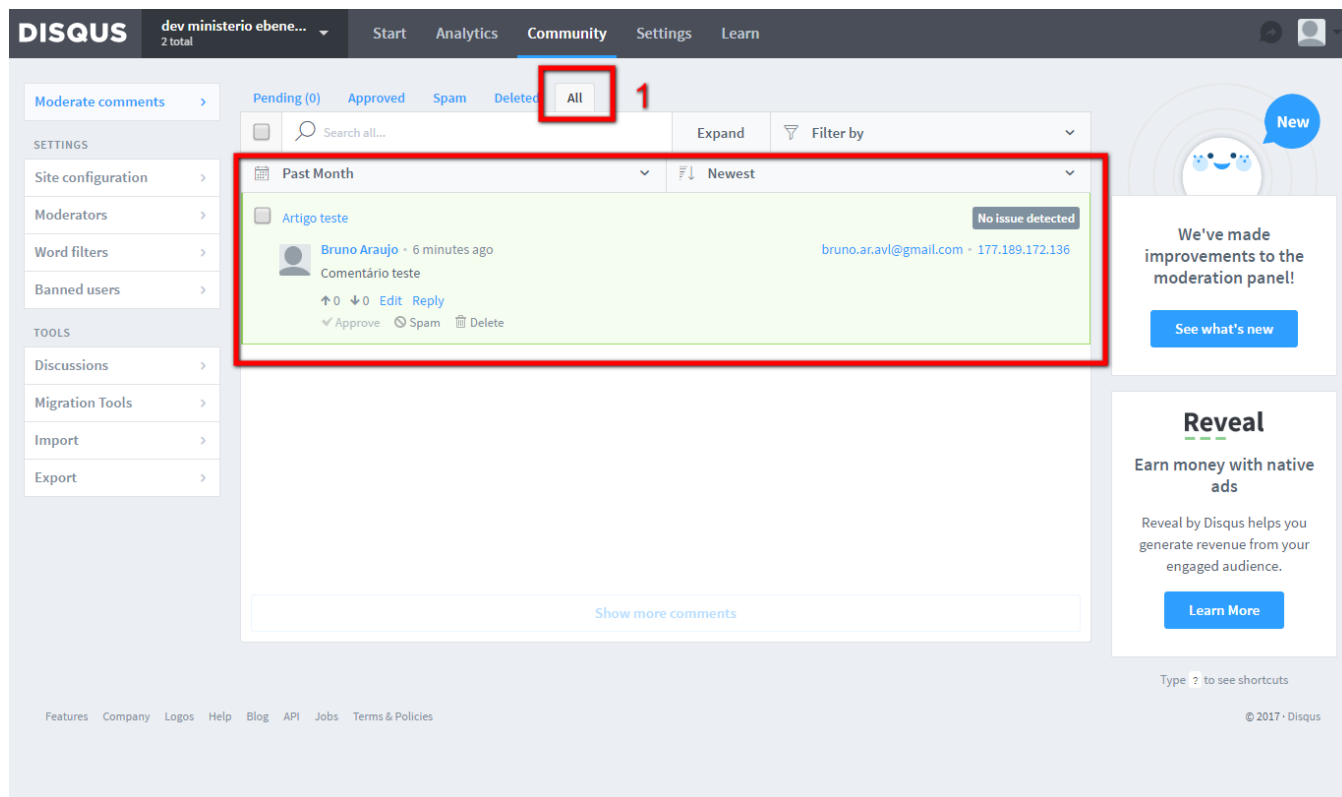

3º - Clique em **Go to Disqus Moderation(1)**.

4º - Entre com os dados de login do Disqus.

5º - Clique em **all(1)**. Nesta aba será possível visualizar os comentários do mês atual. É possível excluir, responder, editar, rejeitar, dentre outras opções.

The screenshot shows the Disqus moderation interface for the user 'dev ministerio ebene...'. The 'Community' tab is selected, and the 'All' filter is highlighted with a red box and a red '1'. The 'Past Month' view is selected, and a comment by 'Bruno Araujo' is highlighted with a red box. The comment text is 'Comentário teste'. The interface includes a sidebar with 'Moderate comments' and 'SETTINGS' (Site configuration, Moderators, Word filters, Banned users) and 'TOOLS' (Discussions, Migration Tools, Import, Export). The right sidebar features a 'New' notification, a 'We've made improvements to the moderation panel!' message, and a 'Reveal' advertisement. The footer contains links for Features, Company, Logos, Help, Blog, API, Jobs, and Terms & Policies, along with the copyright notice '© 2017 · Disqus'.
